## WELCOME TO THE NEIGHBORHOOD

Just 90 minutes from Hinsdale, located on Michigan's southwest coast in Harbor Country, The Neighborhood Hotel Grand Beach offers fourteen large, stylish suites, including two cottage homes. With stocked kitchens and a thoughtful, well curated collection of amenities, each suite and the full property reflect the inn's current vibe, while paying homage to its history as the historic Pinewood Lodge. The Grand Beach location offers four acres of indoor and outdoor space for common amenities including three fire pits, a pool, and The Living Room, stocked with games, a communal bar, and a vending machine filled with local favorites, plus comfy seats to make friends, bring friends or chill solo. In addition to in-suite kitchenettes and kitchens, to dine, there is a Cowboy Cauldron, "the world's finest fire pit and grill," perfect

to boil soups, grill burgers or warm your feet, and the Grillworks Asador used by a rotation of professional chefs as part of the property's Pop-Up series. Guests can also pre-order from local favorite Froelich's to be in their suite upon arrival including breakfast staples to full dinners, fresh baked pies, wine, beer, mimosa kits, and more. Many say Froelich's bagels (only available on weekends) are better than any in Chicago, potentially New York for that matter. [theneighborhoodhotel.com](http://theneighborhoodhotel.com)
